FRUITY FUN!

K1 students had a Fruit Costume Party at school. The students wore different kinds of fruit costumes such as apples, bananas, grapes, oranges, etc. Each student talked about why they chose their fruit costume. They were very confident and happy when sharing their stories.

The students also made paper baskets by folding paper with the help of the teacher, they carefully folded and decorated their baskets. The children were very excited and enthusiastic during this activity.

This activity helped students improve their speaking skills, creativity, and fine motor skills. All students enjoyed the activity and had a joyful learning experience.

LEARNING COLORS

Trough Fun and Enjoyable Play

This Week's Engaging Learning Activity

This week, the children took part in an activity called "Learning Colors Through Fun and Enjoyable Play." This initiative aimed to facilitate learning through play, making the educational process more engaging, interactive, and meaningful.

Through this delightful experience, children are anticipated to learn joyfully, with confidence and enthusiasm, while cultivating an early passion for learning.

A DELIGHTFUL SECOND SEMESTER

This second semester kicked off with a variety of fun activities, including sports day and a costume party.

During sports day, we participated in many enjoyable activities, including group gymnastics and various fun games. These activities taught us how to play fairly while still having fun.

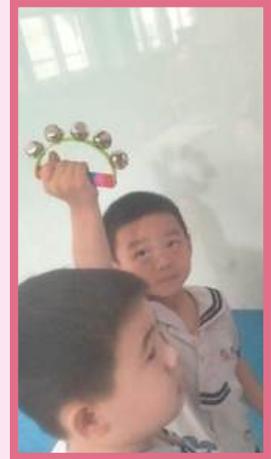

This costume party had a fruit theme. We wore a variety of fruit costumes, and we also learned about different types of fruit, including their shapes, colors, and flavors. Overall, this costume party was a blast.

KID'S MUSICAL ACTIVITIES

Musical activities are diverse, engaging, and applicable to everyone. They consist of listening, responding with movement, singing, reading notation, playing instruments, and creating, or analyzing music to provide experiences that enhance motor skills, creativity, and social connection

Key aspects of musical activities include:

- Types: Singing, playing instruments (drums, piano, guitar), dancing/movement, listening, creating, and analyzing music.
- Benefits: Enhanced cognitive development, improved motor skills, emotional expression, social connection, and stress relief.
- Contexts: Education (school, music lessons), entertainment (concerts), therapy, and team-building.
- Examples for Children: Freeze dance, instrument making, rhythm games, and singing nursery rhymes.

A Fruit Fun Day!

Our Nursery students had such a happy time during our Fruits Costume Party. The classroom was bright and colorful as they came dressed as grapes, strawberries, watermelons, peaches, and apples each one looked adorable!

The students enjoyed talking about why they liked their fruit costume, then walked together in pairs for a simple fashion show. There were lots of smiles, claps, and proud little steps. We also took photos together to remember this special day.

During break time, everyone enjoyed eating fruit together and chatting with friends. To end the day, the students did a fun art activity, placing colorful dot stickers on fruit pictures.

It was a lovely day filled with laughter, sharing, and joyful learning one we will all remember fondly. 🍷🍇🍓

ACTIVE BODIES, GROWING MINDS

Sports Day

Our kindergarten in Meruya enjoyed a joyfull **Sports Day** filled with fun games that built motor skills, teamwork, and confidence. laughter and excitement made the day truly special.

Planting Time

KG in Meruya took part in Planting Time, where children planted seeds and learned to care for nature. This meaningful activity taught patience, responsibility, and love for the environment. Through these experiences, students learned and grew while having fun together.

Unlimited Creativity with LEGO

Are playing LEGO good for kids?

Playing LEGO is an excellent, educational activity for children that fosters creativity, spatial awareness, and fine motor skills. It helps develop problem-solving, persistence, and hand-eye coordination while offering a relaxing, mindful, and fun experience for kids of all ages.

Benefits of LEGO for kids

1. Developmental Skills
2. Cognitive Growth
3. Creativity and Focus
4. Social-Emotional Development

Back

to SCHOOL

Primary IA

The first day of school marks the return of students after the holiday. Teachers greet the students warmly, and friends reunite with joy. The school may organize fun activities or brief assemblies, during which teachers share new rules and plans for the upcoming term. Let us start a new school year with enthusiasm and readiness to learn.

Sports Day

Sports Day is a fun-filled event held at school. The students of PIA enjoy playing various sports and games. This activity teaches them the importance of being healthy, working together, and showing good sportsmanship.

P1B

**WELCOME BACK
TO SCHOOL**

Sports Day: A Celebration of Fun and Team Spirit

Sports Day at school is an exhilarating event where students engage in various games and activities. It promotes health, fosters teamwork, and encourages good sportsmanship. Everyone loves cheering for their friends and enjoying a wonderful time together.

Welcome Back to school

P2A CLASS

“Hey Primary 2A class! ★
Welcome back to an
amazing year of discovery
and fun! We’re so excited
to see what we’ll learn,
create, and achieve
together! Let’s start this
adventure with curiosity,
kindness, and big smiles!
We’ll explore new ideas,
make new friends, and
grow in awesome ways!
Get ready for a year full of
laughter, learning, and
making memories that’ll
last a lifetime!”

SPORTS DAY

“Get your game face on! 😊
Sports Day is here, and it’s
time to shine! 🏆 Whether
you’re racing, throwing, or
cheering from the sidelines,
you’re part of the action!
Let’s show off our school
spirit and make today one to
remember! 🏆 ♀ Go for gold,
try your best, and have tons
of fun!”

P2B

SPORTS DAY

Sports Day is a special occasion at school where students engage in enjoyable sports and games. This event promotes health and activity, while also teaching essential skills like teamwork and cooperation. It adds an element of excitement and joy to school life.

WELCOME BACK TO SCHOOL

A Fresh Start for Students

Today marks the first day back at school for students after their holiday break. Teachers extend warm greetings as students reunite with their friends. Schools may organize enjoyable activities or brief assemblies, where teachers outline new rules, goals, and plans for the upcoming term. Let's dive into our preparations and embrace the learning opportunities that this new school year brings!

Welcome Back To School – Pray for the beginning of 2026 together and explain the school regulations

EVENT – SPORTS DAY

GAMES – Pass the rubber

3A NEWSLETTER

Sports Day 2026 is a very exciting event beyond their primary learning activities. It also serves as a friendly game to make a good exercise to maintain good health.

Finding a style that suits you is also a must. Always try to play in a team that make you feel confident.

✦ INTRODUCING OUR FUN GAMES

This January we are launching our collection of games that students can do!

Rubber

Rubber passing through straws held by each student needs a teamwork focus in order to win this game. At the end, our 3A team wins!

Musical Chair

In a lively game of musical chairs, students joyfully dance around seven chairs, eagerly anticipating the moment they can sit down when the music halts. They continue to circle until only one chair remains, determining the ultimate winner.

Put on shoes

This game is played by a team of five members. Since not all children can put on socks and shoes by themselves, they truly have a great time participating.

BACK TO SCHOOL

Welcome P3B students to a new semester! Let's learn, grow, and make it a great one together!

WESTIN SCHOOL

On January 29th and February 2nd, 2026, Westin School held a sports day at the school. This event was mandatory for all classes and featured several sports such as basketball, futsal, tug-of-war, and more.

P5A students participated in the basketball and tug-of-war competitions. The children were very enthusiastic and competed with great enthusiasm. Although they lost, they fought hard to compete well and with good sportsmanship.

* P5B HEADLINE NEWS *

HOLIDAY IS OVER!!!

NEW YEAR, STUDY AGAIN SCHOOL PREPARATION FOR NATIONAL ASSESSMENT

School holidays are done and dusted, which means it's time to dive back into the world of books and blackboards! We get to catch up with our pals and favorite teachers again. This month, our school is buzzing with excitement for sports day, where every class goes head-to-head in soccer and basketball to snag the title of ultimate sports champs. Sadly, neither the girls' nor boys' teams made it to the finals, but the games were a blast! The grand finale was an epic tug-of-war showdown, with 10 brave warriors from each class duking it out. Now, we're gearing up for the daily tests and prepping for a few brainy olympiads for those daring enough to join.

P5C Sports day

At the end of January, the school hosted Sports Day, featuring competitions in boys' and girls' basketball as well as tug-of-war. The students appeared thrilled to participate in these events, showcasing their excitement and enthusiasm. They demonstrated excellent teamwork and put forth their best efforts, even when facing strong opponents. This experience highlighted their ability to collaborate and support one another in achieving victory. Well done, everyone!

SCHOOL NEWSLETTER P6A

January 2026

The New Year 2026 commenced with immense enthusiasm, as teachers and students gathered for a collective prayer on the school field. This activity was designed to inspire students for the upcoming semester while reinforcing the importance of adhering to school rules.

At the end of January, the school organized a two-day Sports Day event. This activity provided a refreshing break for the students, helping to restore their focus for a while. A variety of sports competitions took place, including basketball, futsal, and tug of war. Class 6C was particularly thrilled, as our class secured first place in the girls' basketball competition this year.

Sports Day stands out as one of the most thrilling and unforgettable events in a school's annual calendar. This day is brimming with enthusiasm, friendly rivalry, and lively energy, as students unite to honor physical fitness, teamwork, and sportsmanship.

Throughout the day, students participate in a variety of sports and games such as basketball, football, and other fun activities. Each event is designed to test speed, strength, endurance, and coordination. Students cheer loudly for their teammates, creating an atmosphere full of excitement and encouragement. Teachers and volunteers work together to ensure that the events run smoothly and fairly.

SPORTSDAY P6C

WINNING TEAM

JANUARY UPDATE

Sports Day is a joyful celebration of students' energy, teamwork, and sportsmanship.

Through a variety of fun and challenging activities, students actively participate in games that promote physical fitness, cooperation, and healthy competition. Each event encourages them to build confidence, develop motor skills, and learn the importance of fair play and perseverance. Laughter, excitement, and cheers fill the day as students support one another, creating meaningful memories while embracing an active and healthy lifestyle.

We have consistently had our dream team during sports day. Although our female team often faced defeat against P6D, our male team played exceptionally well. We frequently won games and scored numerous goals. Our team consistently reached the semifinal round, but unfortunately, we fell short in the final round.

WHAT'S NEXT??

- Study Tour 1 - Kuntum Farm Field Bogor
- Art and Literacy Festival 2026

P6D CLASS

SPORTS DAY EDITION

Class P6D is back in action after the New Year holiday, returning to school with fresh energy and bright smiles. The first days back were filled with laughter, teamwork, and excitement as everyone reunited with friends and teachers. The highlight of the week was Sports Day, where students showed great enthusiasm, sportsmanship, and determination in every event.

Celebrating Our P6D Boys' Basketball Team!

A huge congratulations to the P6D boys' basketball team for securing the victory! Their dedication, teamwork, and unwavering determination truly made a difference. We take pride in their accomplishment and commend all students who participated and gave their all. Let's continue to harness this positive energy for the remainder of the term!

PRIMARY 1 WESTIN MERUYA

January was a lively and engaging month for our Primary 1 students. They took part in various activities, learning both in the classroom and science lab. The students observed hydroponic plants and enjoyed Planting Time, which helped them learn about caring for nature. Sports Day was also full of excitement, with many fun and active experiences for everyone.

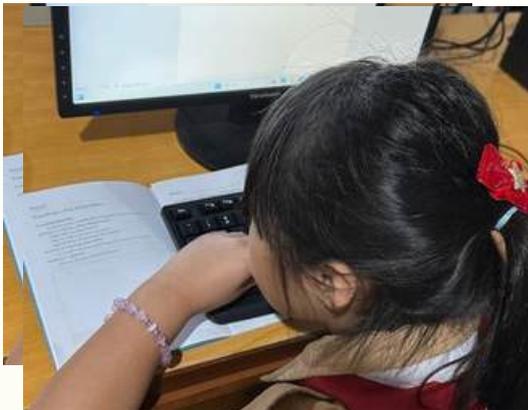

PRIMARY 2

WESTIN MERUYA

Benefits of Early Computing Education are :

Cognitive and Analytical Development, Academic Enhancement, Future - Ready skills. Creativity and Innovation, Digital Literacy, Confidence and Independence.

Computer Lesson

Focus on Learning

Herbal Planting

Digging, individually planting seed and pouring water over the plants are activities which all involve fine motor skills.

PRIMARY 3

WESTIN MERUYA

Herbal planting for the children is an engaging, sensory-rich activity that teaches responsibility, patience, and the origin of food.

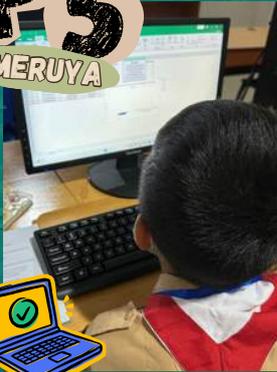

Sports and active hobbies are a great way to get moving, which is really good for everyone's physical and mental health.

LEARNING ACTIVITIES

PS
MERUYA

Students explored hydroponic plants, practiced computer skills, visited the science laboratory to observe experiments, and learned how scientists use tools to discover new knowledge. They also studied three dimensional shapes in mathematics, such as cubes and cylinders, to understand their properties and real life applications.

SPORTS DAY

Students had a blast on Sports Day, playing board games, table tennis, basketball, badminton, and joining fun, energetic group exercises!

PLANTING TIME!

Students had a fun planting time, growing herbal plants such as ginger and other healthy herbs while learning about nature and gardening.

Junior 1A

Welcome Back To School!

Welcome back to school! Let's start a new year full of learning, fun, and great memories. This month J1A class got an opportunity to be the ceremony officer, of course all of us are very happy to be the officer of ceremony. It was a pleasure for us to lead the ceremony.

Sports day

Hooray! The Long-Awaited Day Has Arrived

At last, the day we've been eagerly anticipating is here! Yes, it's Sports Day, filled with a variety of exciting activities such as chess, basketball, dodgeball, and, of course, the ever-popular tug of war. We've given it our all and played as hard as we could!

WESTIN SCHOOL

Sports day

Although it looks simple, this event holds many benefits that have long-term impacts, both individually and collectively.

Sports day becomes an event for them to strengthen the sense of brotherhood and teamwork.

JUNIOR 1B

ENERGY ON FIELD!

JUNIOR 2A CLAIMS VICTORY IN BASKETBALL!

Despite the rough weather at the start of sports day, The team stayed focused and supported one another through every game. As the rain clear, Our team only grew strong, turning setbacks into motivation with clear communication, and trust in one another carried them through the game. Supported by our class from the sideline, the players kept their focus and worked together for a well-deserved win with their hard-work and determination. Continuing our day with tug of war, Soccer, Dodgeball filled with laughter Thank you to our players for your commitment and effort throughout all these games, We are all so proud of you all.

“GAME ON!
SPORTS
DAY 2026”

26TH JANUARY 2026

WESTIN SCHOOL J2A

JUNIOR 2B Sports Day

January 26 2026

Our class, J2B, had an unforgettable Sports Day filled with energy, teamwork, and excitement. From the moment the events began, everyone was ready to give their best while competing against other classes in a variety of sports and fun activities. The field was alive with cheers as classmates supported one another, creating a strong sense of unity and school spirit.

Each event challenged us to stay focused and work together, whether it was running, team games, or group competitions. One of the most thrilling moments of the day was the tug of war. With determination and great coordination, J2B pulled with all our strength and successfully won the junior-level tug of war. The victory was a proud moment for our class and showed how powerful teamwork can be.

Sports Day was not just about winning—it was about participation, friendship, and creating memories. J2B proved that by encouraging each other and staying positive, we could overcome challenges and celebrate success together. It was truly a day to remember.

HAPPY SPORTS DAY!

THE THRILL OF SPORTS DAY AT WESTIN SCHOOL

Many competitions have already taken place, and the junior and senior students are thrilled to participate in this annual agenda, such as Sports Day. Despite unfavorable weather, the students' council, as the event organizer at Westin School, continues to celebrate this occasion specifically for junior and senior students from J1 to S3. However, in the J2C class, only a few students participated in competitions like chess, tug of war, and basketball.

It appears that on the left side of the picture is J2C student Felix Wijaya, who proudly secured first place in the chess competition finals. Great job, Felix! Congratulations! We hope your passion for chess continues to grow in the future.

The student council at Westin School had organized several competitions, including chess, tug of war, futsal, basketball, dodgeball, and relay races. Unfortunately, due to unfavorable weather conditions, such as heavy rain, some events, like the relay race and futsal, were canceled.

Additionally, on the lower left side of the image, J2C students made it to the finals of the tug of war competition, finishing in second place, just behind J2B. Despite this, they were happy and celebrated their achievement.

JANUARY NEWSLETTER

BASKETBALL SPORTS DAY

During the Sports Day, our class competed against J3B in a close and intense match. Both teams played with great effort and determination. Although we lost in the end, the competition was exciting and showed strong teamwork and sportsmanship from both classes.

The Whole Month

At the beginning of the second semester, we spent the whole month preparing for the tryouts and the upcoming events. During this time, we worked hard to improve our skills and stay focused on our responsibilities. Even though the preparation was tiring, it helped us become more disciplined and ready for the activities ahead.

TUG OF WAR

We also had another competition called Tug of War, a traditional game that everyone knows. The match was very intense because both teams were strong and determined. Both sides pulled the rope with all their strength, and it took quite a long time to decide the winner, making the competition exciting to watch.

TRYOUT 1

Before the Sports Day, we ninth-grade students had to do tryouts. We always remembered the motto, "Hard times first, fun comes later," which increased our motivation and discipline. Although the tryouts were tiring, they helped prepare us better and made the Sports Day more meaningful.

COMPETE WITH INTEGRITY
1 CORINTHIANS 9 : 24

SPORTS DAY

J3B CLASS

The energy and enthusiasm of students were strong during this year's Sports Day. This activity provided a platform for students to express their talents, interests and a healthy competitive spirit. The cheers of support from their peers created an atmosphere full of motivation and togetherness.

Sports Day not only improves fitness but also strengthens a sense of belonging to the school. It's a moment that reflects the school as an active, positive and supportive community.

SPORTS DAY

S I A

DURING THE SPORTS DAY, WE HAVE TRIED OUR BEST TO COMPETE WITH OTHER CLASSES. WE WILL WIN IF THERE'S ANOTHER OPPORTUNITY GIVEN.

STARTING THE NEW TERM WITH ENERGY AND FOCUS

Welcome to our January newsletter! This month, our class has been energetically kicking off the new term. We established class rules and discussed our learning objectives for the year.

In our lessons, students engaged in group discussions, completed short projects, and participated in practice exercises to enhance their understanding. Additionally, we emphasized teamwork, discipline, and classroom responsibility.

We are excited to begin exploring new topics soon!

$$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$$

$$c^2 = a^2 + b^2$$

$$= \sqrt{A^2 + B^2 + 2AB \cos \theta}$$

$$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$$
